

Traffic Signal Specialist

Are you a qualified Construction and Maintenance Electrician, prepared to work outdoors in all seasons and skilled in installing and troubleshooting equipment? If so, this role with the City of Hamilton is for you.

Reporting to the Traffic Signal Supervisor, you will be responsible for the installation, maintenance, testing and repair of a variety of electronic traffic control devices and equipment. Your duties will include installing, maintaining and repairing overhead and underground wiring, signal heads, poles, vehicle detection, cabinets, and controllers. As a Traffic Signal Specialist, you will be expected to operate an aerial bucket truck and respond to trouble calls during normal business hours and while on stand-by.

Your qualifications as a Traffic Signal Specialist include:

- A valid Certificate of Qualification as a Construction and Maintenance Electrician under the Ontario College of Trades and Apprenticeship Act, 309A and/or 442.
- Ability to work in all outdoor environments and seasons.
- Ability to climb into and out of aerial buckets with a maximum lifting capacity of 300 lbs and operate from aerial devices at heights ranging from 3 to 10 metres.
- Experience installing, maintaining, troubleshooting and repairing analog and digital equipment as well as installing and maintaining 120 VAC field wiring and connections.
- Previous experience with the installation and maintenance of electronic traffic control equipment, an asset.
- Certification with IMSA, an asset.

NOTES:

- Must possess a valid Ontario Class "G" driver's licence and a point-free driving record and/or a record found to be satisfactory to the City of Hamilton. Applicants with a "DZ" driver's licence will be preferred.
- All applicants must be capable of obtaining and maintaining a "DZ" licence in order to continue employment in this position. Said licence must be obtained within 90 calendar days of hire.

This CUPE Local 5167 Inside permanent, full-time position offers a wage range of \$33.415 to \$37.972 per hour (based on a 38.75-hour work week schedule).
