## TRANSPORTATION PLANNING WORKSHOP

**Burlington, April 27**

This year's Workshop will focus on current issues facing the Transportation Planning field in Ontario. This one-day program brings together planning professionals from across the province to share ideas and experiences and learn from industry experts. Save the date for this not to be missed event.

Details and registration available at:  
[www.otc.org/events](http://www.otc.org/events)

## OTC ANNUAL CONFERENCE

**Kingston, May 6-8**

The 68th Annual OTC Conference & Supplier Showcase will be held at the Four Points by Sheraton, Kingston. This year's program includes two days of exciting speakers, technical tours and social/networking opportunities. Don't miss this opportunity to join your colleagues from across the province to share ideas, learn about the latest developments in technology and to hear from experts on issues facing the industry today.

For more information visit: [www.otc.org/events](http://www.otc.org/events)

## OTM BOOK 7 TRAINING

**Mississauga, April 17**

The Ontario Traffic Manual's Book 7 (Temporary Conditions) has been developed to provide basic uniform requirements for traffic control in work zones during roadway or utility construction and maintenance operations on or adjacent to public highways including ramps and municipal roads and streets, (as well as other public ways to which road traffic has access).

Attendees who successfully complete this course will receive a letter and certificate of completion.

For details and registration visit: [www.otc.org/events](http://www.otc.org/events)

## Committee Meetings

Future Committee meeting dates  
(open to OTC members—Please  
RSVP in advance):
