OTC ANNUAL CONFERENCE

Kingston, May 6-8

The 68th Annual OTC Conference & Supplier Showcase will be held at the Four Points by Sheraton, Kingston. This year's program includes two days of exciting speakers, technical tours and social/networking opportunities. Don't miss this opportunity to join your colleagues from across the province to share ideas, learn about the latest developments in technology and to hear from experts on issues facing the industry today.

OTM BOOK 7 TRAINING

Mississauga, May 16

The Ontario Traffic Manual's Book 7 (Temporary Conditions) has been developed to provide basic uniform requirements for traffic control in work zones during roadway or utility construction and maintenance operations on or adjacent to public highways including ramps and municipal roads and streets, (as well as other public ways to which road traffic has access).

Attendees who successfully complete this course will receive a letter and certificate of completion.

For details and registration visit: www.otc.org/events

PED. SAFETY & RISK MGMT. WORKSHOP

Ivey Leadership Ctr., Toronto, June 20

This comprehensive one-day course encompasses all aspects of pedestrian safety. Each module includes case studies from actual in-service safety reviews, safety audits and/or legal cases in Ontario, and direct linkages to the Highway Safety Manual and other primary industry resources.
