

Manager of Transportation Planning & Parking (2 year contract/job rotation)

Transportation Services

Job Number TRS-118-19

Employee Group Non-Union

Employment Status Contract/Job Rotation

Position Overview Reporting to the Director of Transportation Services, the Manager of Transportation Planning and Parking is responsible for the development and management of transportation planning and Parking Services for the City of Burlington.

Responsibilities The Manager will develop transportation policy which aligns with the City's strategic plan, Transportation Master Plan and Official Plan. You will lead a dedicated staff team who review development applications related to transportation impact, recommend functional road improvements for capital budget deliberations, plan the expansion of the city's cycling infrastructure and manage parking operations and by-laws to ensure compliance. As the city's representative on a number of internal and external studies, you will be the departments subject matter expert as it relates to the transportation planning area.

Requirements A College diploma in Transportation Planning Technology or equivalent experience. Registration with the Ontario Association of Certified Engineering Technicians and Technologists is preferred. The successful candidate has a minimum of five (5) years of transportation planning and parking experience. Your solid written and verbal communication skills are required for responding to internal and external stakeholders on matters related to transportation planning, parking and By-law enforcement matters. Demonstrated experience supervising union and non-union staff.

Salary \$101,574- \$126,968 (grade 13)
