

Director of Transportation Services

Transportation Services Department

Working for the City of Burlington

A great career is closer than you think. Come work for the City of Burlington, where you'll be joining an innovative and progressive workplace focused on building a 21st century city that respects the diversity of our residents, visitors and employees; and prioritizes continuous opportunities for you to learn and grow.

Job Number

TRS-142-21

Employee Group

Non-Union

Employment Status

Full Time Permanent

Position Overview

As the **Director of Transportation** we invite you, as a key contributor, to embrace our strategic plan and in particular, co-lead the implementation of one of our key strategic directions: **A City that Moves**.

Responsibilities

This is an exciting time for the City of Burlington. Council has finalized the strategic plan which will not only guide our actions for the next five years but will also provide a vision to 2040. At a high level our transportation vision includes increased transportation flows and connectivity. People and goods will move throughout the city more efficiently and safely. A variety of convenient, affordable and green forms of transportation that align with regional patterns will be developed. Walkability within new and transitioning neighbourhoods and the downtown will be a reality.

If you are interested in playing a significant role in this vision please consider this opportunity. The Transportation Services Department reports directly to our Executive Director of the Community Planning Regulation and Mobility service area that implements two strategic directions, **A City that Grows** and **A City that Moves**. The core services of the Transportation Services Department include transportation planning, traffic services, traffic signals, parking operations, city-wide parking by-law enforcement, street lighting and our school crossing guards.

Requirements

Working with Council and the senior management team you are a strategic and visionary leader who will guide the development and implementation of the Integrated Mobility Plan to support our strategic plan. Your vision will include the Major Transit Station Areas and a complete street vision implemented through a coordinated active transportation plan. You have a proven ability to work with all levels of government, developing creative solutions and a seamless transportation experience.

We thank all applicants and advise that only those to be interviewed will be contacted.

www.burlington.ca

An equal opportunity employer.

Your resume includes graduation from a Civil Engineering Program with registration in P.E.O. Alternatively you may have a College Diploma in Transportation Technology and registration in OACETT. You will have at least five (5) years of senior management experience guiding and developing staff, proven public consultation skills and are able to expertly communicate with many types of audiences. An understanding of municipal finance and planning is an asset.

Salary Range \$144,919 - \$181,149 (Grade 15 – Under Review)

Posting Close Date July 30, 2021
